Subject: let's try to finalize a meeting date with executive assistants

Hi Nicole, Ron, Casey:

1) Who are the executive assistants for the primary attendees? I can arrange a conference call for all of them to be on the line so that we do not have to go back and forth on the dates. Currently I have:

Suea Davis/EPA for Miguel Flores
Odessa Williams/EPA for Samuel Coleman
Susan Martin/USACE for Colonel Sallese
? for Charlie Jenkins
? for Erik Eriksson
? for L' Oreal Stepney

2) For EPA, the confirmed primary attendees are:
Miguel Flores (Water Quality Protection Division Director)
Samuel Coleman (Superfund Division Director)

Other accompanying attendees would probably be some, but not all, of the following:

Jane Watson (Ecosystems Protection Associate Director)
Claudia Hosch (NPDES Permits & TMDL Associate Director)
Charles Faultry (Superfund Remedial Associate Director)
Charlie Howell (Monitoring and Assessment Section)
Philip Crocker (Watershed Management Section)

Sharon Parrish (Wetlands Section)
Karen McCormick (Marine and Coastal Protection Section)
Brian Mueller (Texas TMDL Coordinator)
Carlos Sanchez (Superfund Remedial AR/TX Section)
Stephen Tzhone (San Jacinto River Waste Pits project management)
Valmichael Leos (San Jacinto River Waste Pits project management)
Barbara Nann (San Jacinto River Waste Pits legal)

Thanks,

Stephen L. Tzhone
Superfund Remedial Project Manager
